

YODER HOMES AND REMODELING, LLC

YODER HOMES AND REMODELING, Sarasota's premier residential and commercial remodeling company, specializes in custom homes, condo renovations, room additions and major repairs. Owned and operated by Denny Yoder, Yoder Homes and Remodeling has served the local region since 2005 and is known for its high integrity, quality construction. Yoder Homes and Remodeling has enjoyed steady growth over the years, as has the scope of its projects. Recent major projects include a Sarasota Ritz-Carlton Condo, total home renovation on Lido Key, as well as a reception hall/bridal suite addition to the Palmetto Riverside Bed and Breakfast. Current projects include the completion of a 10,000-square-foot home in The Concessions at Lakewood Ranch. "We are confident that when a job is complete we have done everything to make sure it was successful and the customer was satisfied," says Denny Yoder. "Almost all of our business comes directly from customer referrals." Denny is very excited to announce the recent addition of his son, Dustin who followed a similar path on his way to becoming a third generation builder. After graduating from the University of Central Florida with a Mechanical Engineering degree, Dustin joined a firm in Jacksonville as an applications Engineer for Commercial HVAC products. Noteworthy projects have been the Riverside Bed & Breakfast in Palmetto where Yoder added a bridal suite & reception hall as well as building the owners their new home on an adjacent lot. Currently, Yoder is finishing a major project in the Concessions that will have over 10,000 square foot under air upon completion.
